

## Occupational Health & Safety Policy Statement

Abox Storage Solutions Ltd recognises that it has a responsibility as an employer to ensure the “Health, Safety and Welfare” of all employees whilst at work. Additionally, it is the responsibility of all persons who work for Abox Storage Solutions Ltd (Managing Director, Managers, Employees etc) to ensure this policy extends to all other persons not adversely affected by our current work activities. In this way, each and every individual within Abox Storage Solutions Ltd has a vital and specific role in maintaining Abox Storage Solutions Ltd health and safety standard.

Responsibility for overall implementation, maintenance and development of our safety management system rests with the senior management team at Abox Storage Solutions Ltd - including regular setting/reviewing of objectives and provision of adequate resource to allow those objectives to be achieved.

It is also the responsibility of senior management within Abox Storage Solutions Ltd to ensure that our health and safety policy is relevant to all applicable legislation and any other requirements that Abox Storage Solutions Ltd may subscribe.

Management recognises the importance of its staff and encourages wholly the reporting of any hazard/risk that may adversely affect our health and safety standard. We recognize the importance of ensuring that staff are adequately trained, informed and supervised to fulfil their activities in a safe manner.

Abox Storage Solutions Ltd is committed to a management system that demonstrates a pro-active approach through the continual improvement of our health and safety performance. This is further achieved by the regular setting and reviewing of objectives to achieve compliance to current safety legislation applicable to Abox Storage Solutions Ltd, and through matching our industries best practices.

We as a company also recognize the need for the identification of hazards and the recording and reviewing of risk assessments, to further achieve a pro-active safety management system. The effectiveness of our health and safety policy and its implementation are subject to regular management review and all related processes and procedures are subject to an on-going audit schedule.
